

International Symposium “PRIORITIES OF CHEMISTRY FOR A SUSTAINABLE DEVELOPMENT” PRIOCHEM XIX

Second Call for Contributions

The Organizing Committee of the PRIOCHEM International Symposium invites all interested actors to participate at the Opening Ceremony hosted by the Conference Hall of INCDCP-ICECHIM Bucharest (Splaiul Independenței, no. 202, Bucharest district 6) on Wednesday, October 11th, 2023, starting at 1:00 p.m.

Founded in 1950, ICECHIM has been continuously carrying out research activities of a high academic standard in the fields of chemistry and chemical engineering for seven decades.

The PRIOCHEM Intl Symposium focuses on the specific research areas of INCDCP-ICECHIM Bucharest, in conjunction with the new guidelines on research-development-innovation, at the national and European level, drawn up by the "Europe Horizon" Program.

The symposium will be held in the following sections:

- | | |
|---|--------------------------------------|
| 1. Multifunctional materials, nanocomposites, innovative technologies and cultural heritage conservation | <i>Indicative</i>
1 - MTCH |
| 2. Bioresources, biotechnologies and biorefining | 2 - BBB |

SCIENTIFIC PROGRAM

- ❖ Plenary debates; Lectures; Poster presentation sessions;
- ❖ Round tables and workshops (Satellite events); Technical exhibitions.
- ❖ Scientific contributions will be reviewed by the Scientific Committee, who reserves the right to accept or reject the papers and to decide on the presentation format (oral communication or poster).

ORAL PRESENTATIONS

- It is recommended that the lectures make the most of the **10-12 minutes** provided, including the time allotted for questions and answers.
