

# Global Women's Breakfast Romania

February 10<sup>th</sup> 2026

INCDCP - ICECHIM Bucharest's Conference Room  
202 Splaiul Independenței, District 6, 060021

## OPEN INVITATION

The National Institute for Research and Development in Chemistry and Petrochemistry ICECHIM Bucharest invites you on Tuesday, February 10, 2026, to the fifth edition of the Global Women's Breakfast ROMANIA event. This year's theme is the mentor-mentee relationship, under the motto "Generations united through science."

This edition creates a framework for dialogue and reflection dedicated to mentoring relationships as an essential element for the development of scientific careers and for strengthening an inclusive organizational culture.

The event aims to highlight the role of mentoring in training new generations of researchers, promoting equal opportunities, and stimulating interdisciplinary collaboration. Through presentations and interactive sessions, participants will explore effective mentoring models, the challenges faced by young researchers, and best practices for creating open, equitable, and high-performing work environments.

### Target audience:

The event is aimed at:

- early-career researchers: practical, reality-based advice on how to overcome gender barriers in academia, how to build a solid portfolio of professional relationships, and how to access international research networks.
- senior researchers: exposure to new research directions, current digital communication practices, and young researchers' perspectives on inclusion and work-life balance — aspects that can positively influence team leadership and institutional policies geared toward meaning and impact.
- entities in Romania engaged in research, development, and related activities: strengthening local and international networks of women researchers and developing a more resilient culture of traditional and new-generation mentoring.

### Certificate of participation:

No later than 30 calendar days after the event, registered participants (first and last name, affiliation, email address) will receive a certificate of participation from the International Union for Pure and Applied Chemistry, recognizing their dedication and contributions to promoting equal treatment and opportunities in all branches of sustainable chemistry.

### Registration:

You can contact us at [office@icechim.ro](mailto:office@icechim.ro) or by phone at [021 - 315 32 99](tel:021-3153299). Access to the event is **free** for all interested parties who register their participation. However, the maximum capacity of the venue is limited to 200 participants.

Thank you in advance for your support, and we look forward to seeing you there!

# Global Women's Breakfast Romania

February 10<sup>th</sup> 2026

INCDPCP - ICECHIM Bucharest's Conference Room  
202 Splaiul Independenței, District 6, 060021

## Program of the edition

10:45 AM – 10:55 AM | Find the best seat in the room for yourself

11:00 AM – 11:15 AM | Opening speech held by [Dr. biochem. Mihaela DONI](#), General Manager of INCDPCP - ICECHIM Bucharest

---

11:15 AM – 11:45 AM | [Dr. chem. Ana-Maria GURBAN](#), 1st degree RS, Leader of Team 6 - Biotechnology and Bioanalysis, INCDPCP - ICECHIM Bucharest

11:45 AM – 12:30 PM | [Dr. eng. Tanța Verona IORDACHE](#), 1st degree RS, Leader of Team 1 - Advanced Polymer Materials and Polymer Recycling, INCDPCP - ICECHIM Bucharest

---

12:30 PM – 01:00 PM | Closing remarks [Dr. habil. Radu Claudiu FIERĂȘCU](#), President of INCDPCP - ICECHIM Bucharest's Scientific Council

---
